Jake's Birthday celebration was held on August 2<sup>nd</sup>. The crowds for this event were large and well behaved.

On the 2<sup>nd</sup> I gave a short speech to kick off the "Race Against Domestic Violence" held in Long Beach. I talked about how important it is for the victims of domestic violence to know that they have help and support available to them. This was the 5<sup>th</sup> year for this event which was started in memory of Lisa Bonney.

August 4<sup>th</sup> – 9<sup>th</sup> I held my annual hunter education and firearms safety course. I had 14 students in the class this year. I was assisted by three other instructors, Dan Chadwick, Ron Gleitner and Jerry Greene.

The department provided traffic control for the Junior Rodeo Parade on the 8<sup>th</sup>.

The Blues and Seafood Festival was held in Ilwaco August 15<sup>th</sup> and 16<sup>th</sup>. I had an officer provide security at the organizers request. We had absolutely no problems.

Kite Festival week, August 18<sup>th</sup> – 24<sup>th</sup>, went well. As usual the crowds were large and very well behaved. We had no issues or problems associated with the event.

I attended training on the 20<sup>th</sup>. The class was put on by Washington Cities Insurance Authority and was titled "Building Supervisory Skills". The class dealt with handling conflicts, interviewing skills, decision making and building effective teams.

Officer Michael Parker graduated from the Washington State Criminal Justice Training Commission Basic Law Enforcement Academy on August 29<sup>th</sup>. Mike did very well at the academy. He was a squad leader and was given an award for outstanding physical fitness.

Labor Day weekend, August 29<sup>th</sup> – September 1<sup>st</sup>, went well. We had very few issues and the crowds were large and well behaved.

## LONG BEACH PENINSULA, WA

After Labor Day, the beach dwellers and kite fliers who fill the Long Beach Peninsula during the summer are replaced by fall migrants—sanderlings, dunlin, and other shorebirds that touch down on their way south. The birds seem to appreciate the warm weather that lingers into September most years. You'll find the shirtsleeve temps encourage long walks on the 28-mile beach. At Cape Disappointment, visit the Confluence Project's *Fish-Cleaning Table*, designed by Maya Lin. —Crai S. Bower
